

Mercedes-Benz

Certification

Mohamed Fathi Mahmoud Mohamed

has completed the following training on 18-NOV-2025 as part of our qualification offering

FOSS Driver's License USE: Certification Vehicle [online exam]

Training contents:

- FOSS components may be incorporated in Mercedes-Benz software (vehicles, mobile apps, IT)
- FOSS components and FOSS license terms need to be identified and tracked
- FOSS license obligations need to be satisfied
- FOSS license terms must not conflict in case of combining FOSS components
- FOSS licenses which are blacklisted for defined use cases are prohibited
- FOSS components with unknown FOSS licenses may not be incorporated
- Relevant information about FOSS@Mercedes-Benz can be found in the FOSS Wiki
